

City of Santa Cruz Water Department and Soquel Creek Water District

scwd² Desalination Program

Monthly Project Update – September 2010

Next Informational Meeting features Recycled Water on Thursday, September 23rd

The third in a series of scwd² Community Informational Meetings will focus on the opportunities and regulations for municipal uses of Recycled Water. Come to this community meeting to:

- Learn why water is a critical issue and how supply shortfalls affect the City of Santa Cruz and Soquel Creek Water District.
- Learn how recycled water is being used for irrigation in Scotts Valley and the Pajaro Valley.
- Learn about the opportunities and limitations of recycled water for the City, Mid-County area, and other areas of California.

Presentations will be given by Heidi Luckenbach (scwd² Desalination Program Coordinator, City of Santa Cruz), Dr. David Smith (Managing Director, WaterReuse Association- California Chapter), Mary Bannister (General Manager, Pajaro Valley Water Management Agency), Charles McNiesh (General Manager, Scotts Valley Water District), and Todd Reynolds (Senior Engineer, Kennedy/Jenks Consultant). A question and answer session will follow the presentations.

This meeting will be held on September 23rd at the Simpkins Swim Center (979 17th Avenue, Santa Cruz) from 6:30-8:30 PM. For more information on this meeting, please check the www.scwd2desal.org website.
